SECRET FILES: ORIGINS

THE BATCAVE

SIZE: Enormous

STATUS: Secret

MAIN COLOR: Black

FIRST APPEARANCE: LEGO Batman Set #7783, August 2006

ORIGIN: As a younger, smaller mini-figure, **Bruce Wayne** once fell into the bot-filled covers beneath **Wayne Manor**. Now **Batman** makes use of those same coves for his secret headquarters.

EQUIPMENT: Constructed from over 1,071 pieces, the gigantic **Batcave** is outfitted with the best equipment the Wayne fortune can buy, all maintained by **Batman's** faithful butler **Alfred**. On the top level, a hi-tech crime lab helps **Batman** hone his detective skills with the aid of a powerful supercomputer and a collection of villainous clues. A special pod lets him quickly change from dashing playboy to coped crime-fighter, and a net-launcher captures unwelcome intruders. In the lower levels are the rotating vehicle repair bay and docking platform, a prison cell assembled to hold even the toughest super-criminals, and much more - all built brick-by-brick by the **Dark Knight** himself!

Currently under development is the **Batblade**, a high-speed pursuit vehicle built for frozen missions. Against its thermal shielding, rocket propulsion and ice-smashing concussion cannons, cold-weather villains like **Mr. Freeze** and the **Penguin** don't stand a chance!

STATUS: Far the **Dark Knight**, this is home sweet home!

Follow the adventure on www.LEGO.com/batman and on www.BatmanSecretFiles.com

A promotional poster for the Nickelodeon movie 'Avatar: The Last Airbender - The Secret of the Fire Nation'. The central figure is Aang, the Avatar, shown from the chest up, wearing his traditional orange and yellow robes. He has a determined expression and is pointing his right index finger directly at the viewer. Behind him, a large, green, serpentine dragon with a red underbelly is coiled around a large, white, circular moon. To the right, Katara is depicted in a dynamic pose, wearing her blue and white Water Tribe dress, with white energy waves emanating from her hands. The background is a dark, stormy sky with swirling clouds. The overall style is that of a classic Nickelodeon animated movie poster.

LET THE MAIL BEGIN!

Hi and Yo, I'm Johnny DC, your pal behind the pictures! I read and enjoy all of the letters you send to this comic book and also **CARTOON NETWORK ACTION PACK**. You're sending some awesome letters to make Ami and Yumi feel welcome to the **BLOCK PARTY!**

And next issue, you can welcome **FOSTER'S HOME FOR IMAGINARY FRIENDS!**

DAVID MILLER from Colorado sent us a funny character he created, which I'm going to print with the heroes in **ACTION PACK**. Look for that in **CNAP #6**, next month!

No, a different company used to publish **TOM & JERRY**, Alex. Now that company doesn't print any comics (but it makes some great puzzle books). You may know by now that **JUNIPER LEE** appears every couple of months in **CARTOON NETWORK ACTION PACK**. And - get ready - **CAMP LAZLO** is coming to **CARTOON NETWORK BLOCK PARTY** - wait for it - next issue!! — Johnny DC

"I'M SMALL, LIKE A COMIC!"
BY ALEX A.

Dear Johnny DC,

I love your comics! Yesterday I got **HI HI PUFFY AMIYUMI** Issue 1 and issue 2, and the story I liked the best was "Tiki Torture." My favorite part was when a bird pooped on Yumi's head. That was too funny!

I even like the **HI HI PUFFY AMIYUMI** cartoon series, and I have seen most of the episodes.

Remember, Johnny DC, keep making good comics!

Samantha Clark

I will try, Samantha! You help us make good comics

when you write letters like this one, saying what you liked. In fact, since you liked that bird, I'm sending him flying over to visit you!

Dear Johnny DC,

I just finished reading "To Love Some Bunny" in issue #19. I think it was great. When Bubbles let free the dust bunnies, or whatever they were, they kind of looked like ghosts!

And when Bubbles knocked the cake right in Buttercup's face, that I was so funny! I love your comics!

Dear Johnny DC

I made my own Powerpuff Girl Bloom. Her powers are all of the Powerpuff powers and teleportation and fire breath.

She loves to study. I want the girls' opinion

Jane Huff, age 9

Bubbles is always happy to make a new friend. Buttercup thinks Bloom is being a bit piggy with all of those powers!
